WHY THE 5-8?

Many people ask us, why do you call this place the 5-8? The answer lies in our history.

The 5-8 Club originally opened in 1928 as a "speakeasy", was widely known as the 58th St. Club, located out in the country and just adjacent to the new Wold-chamberlain Airport. Combined with its location, the fact that the building had an underground garage made it a particularly desirable "speak". Cars, their trunks filled with bottles of illegal hooch packed in burlap bags, could pull right into the underground garage and the "goods" could be taken upstairs.

When Prohibition was repealed on December 5, 1933, the 5-8 Club went "legit" and became widely known for its burgers and wide selection of beers. Over the years, customers began referring to the restaurant as the 5-8... eventually it stuck.

In 2002 the 5-8 ventured to the other side of the river when the 5-8 Tavern & Grill opened in Maplewood. The Maplewood 5-8 quickly became a neighborhood favorite for its great burgers and exceptional value.

In 2004, our third location, the 5-8 Grill & Bar was opened in Champlin. In 2014, the newest member of the 5-8 family opened in West Saint Paul, the 5-8 Grill & Tap. While the history of our locations is quite different, our goal for all is exactly the same...to serve you famous burgers, great beer, and generous portions with thoughtful service.

Speaking of famous burgers, the Juicy Lucy recently gained national attention from *The Travel Channel*. In 2014, it ranked the 5-8 #1 in America for tastiest place to chow down. *Time Magazine* also listed the Juicy Lucy as one of the most influential burgers of all time. *Citypages* listed eating a Juicy Lucy at the 5-8, #15 on its comprehensive Twin Cities bucket list, *50 Things to Do Before You Die*. These huge honors would not be possible without our loyal Juicy Lucy fans.

We're proud to be the winner of the 2021 Minnesota Monthly Burger Battle at GrillFest.
