## WHY THE 5-8?

Many people ask us, why do you call this place the 5-8? The answer lies in our history. The 5-8 Grill & Tap is a sister restaurant to the 5-8 Club located at 58th and Cedar in Minneapolis.

The 5-8 originally opened in 1928 as a "speakeasy" and was widely known as the 58th St. Club, located out in the country and just adjacent to the new Wold-Chamberlain Airport. Combined with its location, the fact that the building had an underground garage made it a particularly desire-able "speak." Cars, their trunks filled with bottles of illegal hooch packed in burlap bags, could pull right into the underground garage and the "goods" could be taken upstairs.

When prohibition was repealed on December 5th, 1933, the 5-8 Club went "legit" and became widely known for its burgers and wide selection of beers. Over the years, customers began referring to the restaurant as the 5-8 ... Eventually it stuck.

In 2002 the 5-8 ventured to Maplewood to open the first sister restaurant to the original 5-8 Club, the 5-8 Tavern & Grill. Two years later, in 2004, the 5-8 Grill & Bar was opened in Champlin. That brings us to the location you're currently at, the 5-8 Grill & Tap, which was added to the 5-8 family in July of 2014 in West Saint Paul.

Our goal is to serve you famous burgers, great beer and generous portions with thoughtful service.

We're proud to be the winner of the 2021 Minnesota Monthly Burger Battle at GrillFest.
